

Beauty Sesh samples

If one more woman today realizes how great she is, it will have been a great day! - Mary Kay Ash

Each packet contains one of the treatments you'll use during your Beauty Sesh. Set-up your plastic tray onto the enclosed tray insert sheet and it will reveal which product goes into which well. You'll only need a squeeze of each product the size of a chocolate chip, so save the rest of the contents of your packet for another use! Although you can open each treatment as we go, it will be a smoother process to pre-fill your tray before we start!
